Subject: Clerk's report

We have had some training on the new Admin + system, please bear with us whilst we get used to the new system. If Councillors agree to do something at a meeting, this will become an action which will be emailed to them. The same goes for members of staff. This action list will replace the Open Spaces work schedule.

We have had several FOI's which have all been replied to. Signs have been ordered ready for Topple testing.

The new Kubota should be with us by the end of the month. They were waiting for the deck to arrive.

Chair Report - Finance

I took over as Finance Chair and we went through various payments on the schedule for payment.

I would like to see all paperwork for the meeting sent through and legible for us to read as I do like to go through it in detail and query anything I am not sure of.

We are still awaiting the Insurance renewal to go through.

The Clerk is looking at her mouse to make it easier to sign off documentation.
