

## Church Grounds

The dedicated Park team has recently embarked on a transformative project at All Saints Church on Church Street. Their tireless efforts have breathed new life into the church grounds, bringing a fresh and welcoming appearance to the beloved community landmark. The team focused on removing old, broken tubs and replacing them with new grass seed in areas that required attention. This endeavour is a testament to their commitment to maintaining and enhancing the natural beauty of the church grounds, ensuring it remains a peaceful and inviting space for all visitors.

## Great news for tennis enthusiasts in Holbeach!

Carter's Park Tennis Court is set to have gate access technology installed. This new system aims to prevent any unauthorised use of the court and will also feature a booking facility for players. This initiative will ensure the court remains in top condition and easily accessible for those who have reserved their time slots. Let's serve up some details: <https://www.lta.org.uk/roles-and-venues/venues/gate-access-technology/>

## Pump Track Proposal at Carter's Park

In an exciting move to enhance community amenities, Holbeach Parish Council is considering the installation of a pump track at Carters Park. The proposed pump track aims to provide a dedicated space for BMX riders, skateboarders, and rollerbladers of all ages to enjoy and practice their skills in a safe, purpose-built environment. To ensure that the project aligns with the community's needs and interests, Holbeach Parish Council is conducting a survey to gather input from residents. The council invites all community members to share their thoughts, suggestions, and support for the proposed pump track.

## Video Camera for Public Meeting Recordings

Holbeach Parish Council Finance Committee is actively seeking a versatile video camera to record their meetings. This initiative aims to ensure that public and parishioners who are unable to attend the meetings can still view them and stay informed about the council's activities.

## Removal of "The Witches Hat" Play Equipment Due to Safety Concerns

In light of recent health and safety evaluations, Holbeach Parish Council has made the difficult decision to remove the beloved "The Witches Hat" play equipment.

The decision follows a thorough assessment conducted to ensure the safety of all park visitors. The assessment revealed that the equipment no longer meets the current safety standards and could pose a risk to children using it.
