JOIN OUR TEAM AT HOLBEACH PARISH COUNCIL

Are you passionate about making a positive impact in the community? Do you have a knack for communication, organisation, and public engagement? If so, we invite you to join our dedicated team at Holbeach Parish Council.

JUST SOME OF WHAT WE DO....!!!

- Local Planning Advice: We provide local advice to the District Council for planning permissions to ensure the development of the town.
- Speeding Advisory: Our Speeding Indication Devices remind you of speed limits to prevent prosecution.
- Maintaining Open Spaces: We maintain the open spaces, playgrounds, and tennis courts you and your children enjoy.
- Supporting Local Organisations: We support local organisations such as the Hospital Car service.
- Additional Services: And of course, we also cut the grass and handle burials.

Are you over the moon with how things are shaking out in Holbeach? Got some brilliant ideas buzzing in your brain? Ready to sprinkle some magic and make a real splash in our Community? Well, guess what? Now's your chance! Holbeach Parish Council is on the hunt for fresh Councillors by co-option RIGHT NOW (yes, you heard that right—no election drama needed!). So, don your superhero cape and come join the team!

Questions you may have.....🤔

"I've only been living here for a few months. What right do I have to tell the locals what to do?"

By moving to Holbeach, you are now a local yourself. It's likely you chose Holbeach because it's a lovely place to live, and you want it to stay that way. Your valuable experience can enhance the town, so come along and be part of the decision-making process.

"I'm only 18 and just finished school. I thought this was for older people?"

Not at all. The minimum age to join the Council is 18, and we warmly welcome younger Councillors who bring fresh perspectives. Your vote as an 18-year-old carries just as much weight as any other. We need younger people with ideas just as much as we need older people with experience.

"Doesn't the Council just cut grass and bury people?"

We do SO much more than that. If you've attended any of our events in Carter's Park or the High Street, you'd know we organize most of the public events in town. From rock bands to the Christmas Fayre, with Halloween for the kids and a full program throughout the year, there's so much to get involved in and make a difference.

Yes, we handle the necessary duties of the Council, but we also choose to do so much more to keep Holbeach the special place it is. Come and join in the fun!

Join Holbeach Parish Council: Make a Difference in Your Community

Holbeach Parish Council is calling on passionate and dedicated individuals to step forward and help shape the future of our community. With 18 seats available on the Council, we currently have only 7 active councillors. This means there's a vital opportunity for new voices to join and play a role in the development and improvement of our parish.

Holbeach Parish Council serves as the first tier of local government and is dedicated to representing the interests of our residents.

Councillors have the unique opportunity to influence key decisions and drive initiatives that improve the quality of life in Holbeach Parish. Whether it's contributing to community unity, advocating for public safety, or preserving our local heritage, the work is both rewarding and impactful.

Why Join the Parish Council?

Serving as a councillor is a chance to give back to the community, develop new skills, and work alongside like-minded individuals who share your passion for making a difference. You'll help shape policies, manage projects, and ensure that residents' voices are heard.

You don't need prior experience in governance—just a commitment to Holbeach Parish and a desire to make a positive impact.

Respect Your Park: Litter Issues Persist in Carter's Park

Holbeach Parish Council is calling on the community to come together to address a recurring issue of littering in Carter's Park during lunch breaks. Recent incidents have highlighted the concerning behavior of leaving rubbish in the park, despite a waste bin being located just a few metres away.

Littering not only tarnishes the beauty of our treasured park but also poses risks to local wildlife and creates unnecessary clean-up efforts for parish council workers and volunteers. It is essential that all visitors take responsibility for their waste and leave the park in the pristine condition they would wish to find it. In light of these issues, the Parish Council has reached out to the local school to raise awareness among students about the importance of maintaining public spaces. Together, we hope to instil respect and pride in our young community members for their surroundings.

We kindly ask all park users to remember: Your actions matter. Please use the bins provided and help us keep Carter's Park a clean, welcoming space for everyone.

Holbeach Parish Council thanks the community for their cooperation and encourages residents to report any recurring issues so we can continue to protect and improve our shared amenities.
