## Battlefields Allotments: Your Opportunity to Grow Fresh and Healthy Produce

The Park Team has been working diligently to transform Battlefields Allotments, conveniently situated off the A17 near the Quantum Industrial Estate. Thanks to their hard work, seven plots are now available for an unbeatable rental price of just £27.50 per year, with an additional £27.50 security deposit.

Are you passionate about growing your own vegetables and fruit? This is your chance to cultivate your own produce in a serene and supportive community environment.

To get started, simply visit the Holbeach Parish Council website and navigate to the "Policies" section to download the Allotment Application Form. Alternatively, feel free to reach out to us directly at 01406 426739 or email the Clerk at [clerk@holbeachpc.com](mailto:clerk@holbeachpc.com). We'll be delighted to guide you through the application process and answer any questions you may have.

Take advantage of this fantastic opportunity to embrace healthy living and enjoy the rewards of homegrown food. Secure your allotment today!

## Important Notice to All Allotment Holders

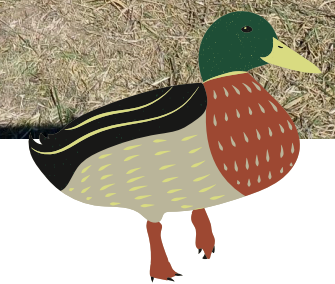

We wish to remind all current allotment holders across our sites that bonfires are strictly prohibited. Burning on any of our allotment sites is a breach of your contract and could result in the termination of your allotment agreement if these rules are not adhered to.

To maintain a safe and welcoming environment for everyone, we kindly ask you to refrain from any kind of burning on site.

Thank you for your cooperation in helping us uphold these important regulations.

## **STOP!** Protecting Fishpond Lane Nature Reserve

We are saddened to report that the beauty and tranquility of Fishpond Lane Nature Reserve has once again been disrupted by the improper disposal of rotten food within the area. This reserve serves as a vital sanctuary for our local wildlife, and such actions can pose significant harm to the delicate ecosystem we strive to protect.

We urge our community to treat the nature reserve with care and respect. If food is not fit for human consumption, it is equally unsuitable for wildlife and should not be left within the reserve. Dumping food may seem harmless, but it can attract pests, cause imbalances in the environment, and adversely affect the health of wildlife.

Thanks to the dedication of our Park Team, the reserve has been cleaned and restored to ensure the safety and well-being of its inhabitants. However, we kindly ask all visitors to help us maintain its natural beauty by refraining from using this precious space as a dumping ground.

Together, we can preserve the wonder of Fishpond Lane Nature Reserve for generations to come. Let's continue to cherish and protect this incredible habitat.

## **STOP!** Respect Our Carter's Park Tennis Courts

The community is urged to help preserve the integrity of Carter's Park Tennis Courts. Recent misuse, including stretching nets, climbing over them, and leaving litter behind, has caused damage to this cherished facility.

The tennis courts are not designed to endure such activities, and the damage to the nets can have lasting effects on their usability. We kindly request that users refrain from these actions to ensure the courts remain in good condition for everyone to enjoy.

Additionally, football activities are not permitted on the tennis courts. There is ample space available within Carter's Park dedicated to football, and we warmly encourage all football enthusiasts to make use of these areas.

Lastly, we ask all visitors to play their part in keeping the courts clean. Please remove any litter and use the bins provided throughout the park to maintain a welcoming and enjoyable environment for all.

Together, we can ensure Carter's Park remains a fantastic resource for the entire community. Thank you for your cooperation!
