Important Notice: Hallgate Cemetery Access Hours Adjustment

In an effort to safeguard the site and address concerns regarding antisocial behaviour, Hallgate Cemetery will operate under revised access hours starting Monday 28th April.

The cemetery will be locked each evening one hour after sunset and will reopen daily at 7:30 AM.

This measure is being implemented to preserve the integrity and tranquillity of the cemetery while ensuring a respectful environment for visitors.

We appreciate the community's understanding and cooperation in supporting this initiative.

New Initiative to Tackle Litter at Carter's Park

In a proactive effort to maintain the beauty and cleanliness of Carter's Park, the Park team is introducing four additional black wheelie bins.

These bins will soon be installed throughout the park, including one within the Tennis Courts, to help visitors easily dispose of their waste. We encourage all park-goers to make use of these bins and play their part in keeping Carter's Park a pristine and welcoming space for everyone.

Let's work together to protect this cherished community landmark—thank you for your support!
