Park Team's Ongoing Commitment to Holbeach's Outdoor Spaces

The Park Team continues to go above and beyond in maintaining and enhancing our community's outdoor spaces. Their dedication ensures that Holbeach remains a welcoming and well-kept environment for all.

This week, alongside their regular duties, the team is focusing on the upkeep of the Holbeach High Street War Memorial—an iconic landmark that stands as a tribute to those who served. Their ongoing efforts help preserve this important site, ensuring it remains a place of reflection and remembrance for years to come.

We extend our gratitude to the Park Team for their hard work, making a meaningful impact on our town's appearance and community pride. Work will continue on the memorial as part of their commitment to its upkeep.

Residents are encouraged to take a moment to appreciate the outstanding efforts of the team and enjoy the beautifully maintained spaces across Holbeach.

Celebrating Success at Holbeach Parish Council!

Holbeach Parish Council is proud to celebrate the achievements of two outstanding team members who have recently completed their qualifications.

First, a huge congratulations to Ed, who began his journey with us as an apprentice and has successfully passed his Level 3 Business Administration qualification. With his dedication and hard work, Ed has now secured a full-time position as Archives & Administration Assistant—a fantastic milestone in his career. Well done, Ed!

We also extend our congratulations to Park Team Member Pete, who joined us last year and has now completed his PA1 Principles of Safe Handling and Application of Pesticides and PA6 qualification for using pesticides with handheld applicators, such as knapsack sprayers. His commitment to ensuring safe and effective practices in park maintenance is commendable—well done, Pete!

We are incredibly proud of Ed and Pete for their hard work and dedication, and we look forward to seeing their continued contributions to our team and community.

UPDATE

Pump Track Installation Moves Forward with Official Appraisal at Carter's Park

Holbeach Parish Council is excited to announce the next step in the development of the highly anticipated Pump Track at Carter's Park. A professional company has been commissioned to conduct an official appraisal for the installation, ensuring the project is carefully assessed and planned to meet community needs.

This marks an important milestone in bringing this dynamic recreational facility to Holbeach, providing a dedicated space for cycling enthusiasts of all ages and skill levels. The Parish Council remains committed to keeping residents informed and will provide updates as the project progresses.

Stay tuned for further developments as we work towards delivering this exciting new addition to Carter's Park!
