FAO: Mr Dan Taylor
10th September 2025

Dear Dan,

Further to your recent enquiry I am pleased to confirm the following rates for removal and safe disposal of the items below.

To collect and dispose of the following waste items.

Waste chemicals as previously surveyed £630.00.

Transport F.O.C.

Consignment note £55.00.

Total job price £685.00.

Price includes all paperwork, transport, labelling, the supply of UN approved containers where required and disposal.

This quotation is based on your description of the waste detailed in our survey and is classified in accordance with the current Hazardous Waste Regulations, as amended. Prices remain valid for 30 days from the date of this quotation. Please note our payment terms are 30 days net from receipt of invoice. All prices are subject to VAT.

All containers must be fit for purpose and transported to comply with the current Carriage of Dangerous Goods, Use of Transportable Pressure Equipment and ADR Regulations. The schedule of work to be carried out has been detailed as accurately as possible. However, should the waste differ from the survey, we reserve the right to re-negotiate the quotation or scope of work agreed.

This quotation is given on the express understanding that compliance with the above legislation is your responsibility. Our quotation includes supply of UN hazard warning labels appropriate to your waste streams. Conforming to ISO 14001, 9001 and BS/OHSAS 18001, Safetykleen UK Ltd. always operates to the highest standards; offering wherever possible, a recycling or recovery option for your waste. Where these are not available our carefully audited disposal partners provide a quality option giving you complete peace of mind and environmental sustainability. Should there be a difference in waste collected and the client's quotation; Safetykleen UK Limited reserve the right to provide evidence of this and bill accordingly.

Should you have any questions about this quotation, or about any of our other services, please contact me directly.

bench from Field & Hawken is a substantial example of garden furniture. Move away from traditional square bench angles and introduce a teak banana bench to your garden. Our 3 seater teak banana bench is made from sustainably sourced Indonesian plantation teak and FLEGT certified. This teak banana bench is crafted using traditional joinery techniques to create a stunning and long-lasting outdoor bench. Delivered fully assembled
