Damgate

**Holbeach
Discovery
Trail**

This was once called Malting Lane and was a quiet tree lined road with a Maltings at the junction with Fleet St hence the name. Beyond the junction with Fishpond Lane was a mill built in 1816 and had 4 sails. It was one of 7 Mills that stood in Holbeach ,3 wooden post Mills and the others were tower Mills. The mill at Damgate was demolished in 1960.
